### Famous Clergyman Will Take East Side as His Field.

This, the first day of the new year, has been selected for the inmaguration

tention by reason of the forces behind These include the Society for Ethical Culture, whose leader, Prof. Felix Adler, has announced his intention to rid the ongested district of its many plague spots. Prof Adier will have the assistnce of over a score of ministers of all lenominations, among them, it is reported, the Rev. Charles A. Briggs, whose alleged heretical utterances as & Presbyterian minister caused such an

opheaval in that church.
Dr. Briggs is now a Protestant Episcopal clergyman, and has charge of the Pro-Cathedral in Stanton street, the very centre of the infected district. His work has made him fr.millar with the conditions there, and he is keenly alive other members of the clergy attached to the Pro-Cathedral are also to take part. No set plan of campaign has been out-

aggressiveness. Much of its force will be derived from the fact that the better element of the district will lend a hand

of the crusade face to face with the situation.

The politicians will be appealed to, and if these appeals fall then other means will be resorted to. Just what is meant by this the leaders of the movement refuse to say, but they intimate that the politician who falls in his duty will be treated to a disagreeable surprise.

The police are also expected to lend their earnest co-operation, and it is expected that the bluecoats of the Madison. Eldridge, Delancey and East Fifth sireet stations will be given definite orders when they start out on their early evening and midnight patrols.

Those interested in the movement are going about to-day locating the various disorderly resorts and gathering evidence against them.
